

Summer Photography Workshops

The Town of Kentville will be offering two 8 week workshops starting in July. The workshops will cover the basics of photography, with the main theme of the workshops being how to tell honest and complete stories through images. Participants will work with both film and digital photography, and learn how to edit and develop in both of these mediums.

Tuesdays 6-8pm: General Public

July 11th- August 22nd + August 24th (to get ready for a public exhibit of work)

Workshop cost: \$80

Bring your own camera(s), film provided. We will have digital and film cameras available to borrow if needed.

Photography courses are led by Mackenzie Pardy. Here's a bit about her:

When Mackenzie was fifteen she was selected to travel with National Geographic to Ecuador and the Galápagos Islands, and since then her photography has lead her all around world, travelling to more than 20 countries and working in places such as the streets of India and the refugee camps of Calais, France.

Mackenzie completed her Diploma in Photojournalism and Documentary Photography at the University of Gloucestershire, England and looks forward to sharing what she has learned from all of these experiences with you.

Registration forms and payment can be dropped off to the Parks and Recreation Department at Town Hall: 354 Main St.
