RE: Brette Pettet, Kentville's newest Recreation Champion

KENTVILLE, NOVA SCOTIA – The Town of Kentville is recognizing Brette Pettet as a Recreation Champion for being an exceptional role model for young women in Kentville.

Last week Ms. Pettet was chosen to join Canada's under 18 hockey team at the world championships in the Czech Republic. Although Pettet's career is in the very early stages, she has attended provincial, national and international schools and competitions to further her hockey skills.

As a Recreation Champion, Pettet is showing girls and young women that hard work and perseverance truly pay off. Kentville is proud to have such a strong female athlete to show that Kentville girls can go far in sports if they play hard, respect their bodies, and be a loyal member of the team and community.

The Town of Kentville will honor Brette Pettet with a gift from the Town and a Recreation Champion certificate at a public ceremony at Town Hall on Wednesday December 21st from 10:00 to 11:00 am in council chambers.
