**July 12-16      Let's Go Camping!**

**Camping is so fun, but requires an understanding of how to interact with the great outdoors! This week's camp will be full of activities needed for campers to be confident in their camping skills. We will be exploring and gaining outdoor skills such as knot tying, shelter & camp fire making, cooking over a fire, navigation, plant identification, first aid, and leave no trace principles! Campers will learn how to take care of themselves and others (sun safety, seeking shade, tick safety) while interacting with the natural world and leaving minimal impact.**

**Amazing Race**

**Join the day camp staff for a race of a lifetime! Campers will be teamed up and will compete in challenges - during each leg of the race, they will be working together, gaining leadership and teamwork skills that will lead them to the next activity. They will become more cultured while they learn about the history that shapes Kentville, Nova Scotia, and the nation. They will also become little scientists, and will have to think on their feet! The week will be jam packed with fun activities that will have the campers thinking outside of the box, with everyone crossing the finish line so, are you up to the challenge?**

**Land Before Time**

**Before humans roamed the earth... Dinosaurs did! What was the earth like before humans took over? Land Before Time will have the campers transported back into time where they will explore what the earth was like while the dinos still roamed! Campers will have the opportunity to embody their inner dinosaur and learn about fossils! Are there lessons humans can learn from dinosaurs? Find out in this week's camp! Land Before Time will be following more of a storyline and environmental education model. This camp is geared toward younger participants but all ages are welcomed.**

**Aug 3-6     KTown Hero**

**Calling all heroes! Did you know heroes do not always wear capes? This week's camp will have campers exploring the community and learning about what it means to be a hero. The emphasis of this camp is on community heroes like first responders, librarians, cashiers, your neighbours, family members, friends... The week is all about finding the hero within and within others. Campers will see heroes in action and will participate in activities to help them unlock the hero inside of them!**

Aug 9-13 S.T.E.A.M.

Science, technology, engineering, art, and math all wrapped into one week? You can't ask for better than that! Campers will have their creative juices flowing during the week with each day focusing on a different **STEAM** theme. Campers will engage in science experiments, become tech savvy, be challenged to build and create things that can drive and float, explore the different modes of art, and participate in math olympics! There will never be a dull moment at **STEAM** camp.

**Aug 23-27 Listen to Your Art**

Art and culture come together in this camp. Campers will explore the ways in which culture influences our everyday lives, but specifically how it comes through in art. Campers will be exposed to different arts and cultures both locally and around the world. Field trips to explore the different arts and cultural sites within Kentville. Guests will be involved in the camp so they can hear from individuals who embody arts and culture. Each day the campers will have time to reflect on themselves, who they are, their culture, and will work on creating an art piece that represents what culture means to them.
