

Provincial Response to Hurricane Lee

EMERGENCY SHELTER LOCATIONS FOR THOSE EXPERIENCING HOMELESSNESS

Anyone looking for supports over the weekend can call 211 to be connected to services in their community.

DCS, in cooperation with its service providers and municipalities, is preparing for the potential impacts of Hurricane Lee in the coming days.

Please find below details of shelters and support available this weekend. Hours of operation will be dependent on expected storm timelines.

Locations will provide a safe and secure place for those experiencing homelessness to access light meals, supports, and sleeping accommodations throughout the weather event.
