Closing Time: 4:30pm**

Tender Address:
Offices of the Town of Kentville
354 Main, Kentville, NS B4N 1K6

Owner's Representative:

Craig Langille, Manager of Parks and Recreation

clangille@kentville.ca, 902-679-3691

Below are the ideal specifications for the installation of an automatic irrigation system for a baseball diamond in Kentville, NS. Tenders can be submitted through email to recreation@kentville.ca or in a sealed envelope clearly marked "Baseball Diamond Irrigation" and delivered before 4:30pm on May 24, 2023, to:

Town of Kentville
Attn: Craig Langille, Manager, Parks and Recreation
clangille@kentville.ca
354 Main Street, Kentville, N.S.
B4N 1K6

The Town of Kentville reserves the right to accept or reject any or all tenders, not necessarily accept the lowest tender, or to accept any tender which it may consider to be in its best interest. If you have any questions, please do not hesitate to contact Craig Langille, 902-679-3691.

Tenders that are unsigned, incomplete, conditional, illegible, unbalanced, obscure, or that contain irregularities of any kind may be rejected as informal.

The supplier guarantees that all equipment covered by or supplied pursuant to his quotation shall comply with some or all the specifications of the project. Tenderers to include details of the guarantee/warranty.

Tenderers are requested to tender on product specified: however, if in the Tenderer's opinion, improvements in either performance or economy can be affected by departures, they may be offered as alternatives and may be given consideration.

Tender must be valid for acceptance for a 30-day period from time of tender closing.

Site Visits

A site visit can be arranged by contacting Craig Langille, Manager Parks and Recreation at clangille@kentville.ca or 902-679-3691. The site is located at Memorial Park, Bantam Baseball Field, 125 Park Street, Kentville, NS.

Scope of Work:

- Supply and purchase Rainbird 6504 Sprinklers, 28 total
- (7) zones to be created throughout the field
- Rainbird module to be added to existing controller
- Rainbird rain sensor
- Compact and sod areas that were impacted during installation of the new irrigation system
- Debris to be disposed
- Contractor will test in-ground irrigation system to make sure both are in good working order and providing proper field coverage
- Contractor will provide warranties and recommended maintenance procedures

Figure 1 – Field Location:

The Bantam Baseball Diamond is marked with a white circular dot in the photo above. All other spaces included in the photo have irrigation already installed.
