UNFINISHED BUSINESS

(a) Standing updates

a. Wellfield Reports:

i. Well Field Expansion:

No events or reportable activity in the Well Field. The seven wells are producing as expected and being pumped within their allowable withdrawal limits. Investigation of the best location for an additional production well is ongoing.

See Report

Points of Discussion

- County requested that they be notified once a location is determined.

ii. Monitoring Wells

b. Water Report

See Report

c. Development Officer Report – no report

d. Review of Source Water Protection Plan

See Report

e. Kings County - nothing to report

f. Department of Environment Climate Change

Points of Discussion

- McGee Lake, if Town would like to prohibit activities/uses an application is required, and Mike Allen would assist with this process.
- Mike Allen and Greg Cummings are available when the Town of Kentville updates their SWPP.
- The latest draft was done in 2014 and was never fully approved, this needs to be completed as the town explores new wells with its growth.
