

MAYOR ANDREW ZEBIAN

JANUARY 30, 2026

Dear Kentville,

February is an important month as we recognize and honour the contributions and heritage of African Nova Scotians whose ancestors have shaped and enriched this community for generations. African Nova Scotian history is our shared history – a history that dates back centuries and is filled with achievement, accomplishment, and resiliency.

I would like to acknowledge the recent passing of Dr. Geraldine Browning. Dr. Browning was a local, dedicated, community leader. Her work and commitment touched people far beyond her community of Gibson Woods. I recognize the impact that her passing has had on the community, and express my condolences. Earlier today, we raised a flag to honour of the heritage of African Nova Scotians in our community. Thank you to all who joined us.

Later this month, please join us for some of the Winter Warm Up events we are hosting in Town! There will be skating, sledding, workshops and more. I hope you will take part with your friends or family. I'll be throwing a challenge out there myself, stay tuned for that later this week. Staying active in the winter can be a challenge, and hopefully some of these opportunities will make it easier while keeping it fun. I hope to see you out!

Take a breath of fresh air, Kentville.

Sincerely,

A stylized, handwritten signature in black ink, appearing to be 'A. Zebian'.

Mayor Andrew Zebian
