

MAYOR ANDREW ZEBIAN

FEBRUARY 27, 2026

Dear Kentville,

As we welcome the month of March, there is a new excitement in the air. Winter has certainly made an impact this year, especially the last few weeks. But as we head into March, longer days and brighter mornings remind us that spring is just around the corner! March is a time of transition. A time to look forward with hope, fresh energy, and a renewed commitment to our community.

This month also brings meaningful opportunities to recognize and celebrate the people who make our town strong.

March 4th is Employee Appreciation Day. I encourage everyone to take a moment to recognize the hard work and dedication of employees across our community. From local businesses and private industry, to schools, our healthcare facilities, municipal staff, and volunteer organizations. The contributions of employees keep Kentville thriving, and we are deeply grateful for the care, professionalism, and pride you bring to your work every day. Thank you!

On March 8, we celebrate International Women's Day. This is a time to honor the achievements, leadership, and resilience of women and girls. Kentville is enriched by the countless ways women contribute in business, public service, education, arts, community advocacy, and within our families. Let us continue working together to build a community where everyone has the opportunity to succeed and feel valued.

As we look toward spring, I am excited about the months ahead! The return of community events, greening of outdoor spaces and trails, and the simple joy of gathering together. March is a wonderful time to reflect on what makes Kentville such a special place to call home.

On behalf of Town Council, thank you for your continued spirit, kindness, and commitment to our community. Here's to a hopeful March and a bright spring ahead.

Take a breath of fresh air, Kentville.

Sincerely,
