

MAYOR ANDREW ZEBIAN

APRIL 2026

Dear Kentville,

Although it may be hard to believe that Spring is here based on the weather, we have a lot to look forward to this month! Warmer weather, longer days, and the gradual return of “green” to our parks and outdoor spaces remind us that brighter days are soon ahead. We look forward to flowers popping up and seeing the streets bustling with people enjoying the fresh air.

I hope you’ll take in some of the fun events happening around town this month including the Easter Market this weekend, and the NKEC Safe Grad Pancake Breakfast on April 4th, both being hosted at the Kentville Fire Hall. I hear the Kentville Lions will also have a very special guest at the Big Breakfast next weekend.

April also marks Sikh Heritage Month and Arab Heritage Month. I encourage everyone to take some time and learn more about the important contributions of these two communities in our region. Throughout the month, we’ll be sharing stories and information on our Facebook page as we celebrate their culture and heritage.

Later in April, we are excited to celebrate our wonderful volunteers. Their talents, dedication, and community spirit help make Kentville a really special place to live. We look forward to recognizing and showcasing them. On behalf of Town Council, thank you for all that you do to keep our community strong, welcoming, and vibrant. Wishing you all a joyful and “hoppy” April 2026.

Take a breath of fresh air, Kentville.

Sincerely,
